### THINKS SPIRIT OF '76 AS SUPINE AS IN '16

Wilson's "Chocolate Soldier" Secretary of War Excites Nation's Disgust by Declaring Washington's Army Was as Bad as Lot as Villa's Bandit Band.

### SPOILATION OF NUNS AND CHURCHES THUS CONDONED

"In Their Ragged Regiments Stood the Old Continentals, Yielding Not," and this is the reason Baker sneers at Real Patriots because he sneers in an environment that glorifies in Yielding Every American Right—Also Takes a Fling at Civil War Heroes, Saying They Committed the Same Crimes of Which Mexican Outlaws Are Now Guilty.

The defense which Secretary of War Newton D. Baker offered for Mr. Wilson's Mexican policies found quick response from patriotic Americans—but hardly the response Mr. Baker could have wished for.

In a speech in Jersey City, the Secretary likened the Mexican revolutionists to the Continentals who fought with Washington. He admitted the Mexicans were a racially-rot, but said their actions were those of all rebels. The patriots of the American Revolution looted churches and drove ministers from them on their famous march to Valley Forge, he added.

Protest have come from far and near. The Empire State Society of the Sons of the American Revolution met and adopted a resolution condemning "in the strongest terms the unpatriotic language of the Secretary of War." Members of the society were outspoken in their denunciation. Some declared that unless his remarks were repudiated at once by President Wilson a movement should be started to force the Secretary's resignation.

**Friend of Baker's Joins.**  
The Empire State Society meeting was in the Waldorf-Astoria. In the chair was Louis Amis, president of the society, a Democrat, a staunch supporter of the Administration and a close friend of Secretary Baker. He was asked if he had any personal comment to make on the action of the head of the War Department.

"It is all told in the resolution," said Mr. Amis. "The resolution was passed unanimously, so it embodies my views."

The resolution follows: "Whereas, it is reported in The New York Tribune this morning that Secretary of War Baker, at a public meeting held in Jersey City last night, used the following language reflecting upon the character of the members of Washington's army of the present Mexican revolutionists: 'I know that the Mexicans do not respect American life and property, said Mr. Baker. 'I know that they do not pay their debts, that they are rascals, that they deserve the church property, that their money is no good and that they are generally worthless. But people never respect those things in revolutions. We did not respect them in our Civil War. Washington's soldiers in the march to Valley Forge stole everything they could lay their hands on; took the silver vessels out of the churches and sold them to buy drink. They drove ministers out of the churches. Their money was worthless and they were just as bad characters as the Mexicans.'"

"Resolved, That we, the descendants of the patriots of the Revolution, condemn in strongest terms the unpatriotic language of the Secretary of War, and direct that a copy of this preamble and resolution be sent to him."

Similar action will be taken by patriotic societies all over the country.

### INDUSTRIAL PARALYSIS IF WILSON IS ELECTED, SAYS HARDING

Mansfield, Ohio, November 2.—With big political meeting here the Republican campaign in Richmond county was brought to a close tonight. Senator Warren G. Harding was the leading speaker. Owing to the illness of Myron T. Herrick former Attorney-General Wade H. Ellis took his place. Judge E. L. Porterfield, congressional candidate, also spoke.

Senator Harding said industrial paralysis would descend upon the country with the re-election of President Wilson and that if prosperity were to continue at the close of the European war, a Republican President and Congress must be elected.

"No man is fit for public service who is not honestly the friend of labor," said Senator Harding. "I believe in the eight-hour day and practice it."

"Real Americanism protests United States citizens. The Administration has wobbled, watched and waited until Americans have been subjected to the contempt of the Mexicans and the derision of the world," said Wade H. Ellis.

### U-BOAT IS SIGHTED

Baltimore, November 2.—Captain H. Hirsch of the Norwegian freighter Osterdal, which arrived here today from Cardiff, Wales, reported having sighted a large submarine which he believed to be a German of the U-53 type, about 400 miles east of Cape Henry. Captain Hirsch said he first saw the submarine about 11 o'clock at night, and that it was not more than 600 feet away.

### SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months. I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.
